Union Pacific agrees to reimburse EPA up to \$50.00 for the reasonable cost of identifying, scanning, and/or duplicating records. If EPA anticipates that costs are likely to exceed that amount, please contact me to discuss.

Union Pacific understands that federal agencies are required to respond to FOIA requests within twenty working days, excluding Saturdays, Sundays, and legal holidays. Please comply with this requirement or let me know in advance if an extension is needed.

Union Pacific further understands that if EPA elects to withhold information responsive to this FOIA request based on an applicable exemption or exclusion, EPA is required to supply a determination letter explaining any basis it believes it has for withholding information. Moreover, if any information is withheld on the basis of an applicable exemption or exclusion, Union Pacific requests that EPA withhold only the portion of information that is subject to that exemption or exclusion. For example, if a particular document contains information that is responsive to this FOIA request and only a portion of that information is subject to a valid exemption or exclusion, Union Pacific requests that EPA redact the exempt portions, but otherwise produce the document

If you have any questions regarding this request or need any additional information, please contact me at (310) 201-7526. Thank you in advance for your cooperation.
